## We Are Looking for Consignors

This is a three-day SPRING and SUMMER consignment sale. Take those quality, like-new children's clothes, teen clothes, maternity clothes, toys and baby items and turn them into CASH! You will receive 70% of your total sales minus a ten dollar participation fee that helps defray the cost of postage, advertising, rental, etc! Bring **15** or more of your best items on our receiving day and you will get to shop our private Contributors' Sale! **(there will be a 150 item limit for all consignors)**

## We Are Looking for Workers

Without great volunteers, we could not put on such a successful event. Six (6) hour volunteers shop first and receive 75% of their total sales. Three (3) hour volunteers shop before consignors and the public. ALL workers will be allowed to bring an additional 100 items to the sale. Call Leah ASAP to schedule your time to work.

## First Time Moms

Cullman Kid's Mart offers a special shopping time for all first time mothers. If you are pregnant with your first child, in the process of adopting your first child, or your oldest child is under one year old, we invite you to join us for this special presale. Our presale will be limited to the first 300 moms to register on our website.

## Condition of Clothing

WE ARE LOOKING FOR QUALITY, NOT QUANTITY. We are accepting your BEST, gently worn children's and teen's clothing, sizes newborn to junior, and maternity clothing.

All children's, teen's and maternity clothing should be:

1. **Current** styles
2. In **great** shape (**NO** tears, stains, odors, broken zippers, or missing buttons)
3. Ironed
4. Hung on **STURDY Metal or Wire** hangers (**Plastic will not be accepted**) Use safety pins to attach pants and accessories to top of hanger. (**Make sure hanger faces left.**)

## Items Other Than Clothing

Shoes **MUST BE PERFECT!**

Shoes should be:

1. In zip lock bags [No boxes]
2. With the price tag pinned to the inside of the bag (do not write on the bag.)

## Toys, Baby Equipment, Beds, Strollers, Swings, etc.

**Must** be clean and in excellent working order. We will not take toys without batteries. You should tape or pin the price tags to toys and equipment with clear packing tape. **Be sure tag is secure.** For items with more than one part, do not make a tag for each piece. Make ONE tag and securely attach items together.

**Unacceptable Items:** Clothing with odors [smoke, pet, etc]. Battery operated items without batteries; open pacifiers, nipples or diapers; baby food or formula; adult clothing (except maternity); recalled items; car seats more than 5 years old; anything worn out or with missing or broken pieces. No "grab bags" of small toys. **NO STUFFED ANIMALS.**

**PLEASE SEE OUR WEBSITE FOR A MORE DETAILED EXPLANATION OF OUR TAGGING SYSTEM!**

This is the **FORMAT** for tagging. The most important # is your contributor #. If possible use a computer to make your tags so that we can read the #.
